of the Officer in charge of the State Huzur Treasury for encashment. Should there be anything wrong with such cheques they are returned by the State Huzur Treasury to this office and it has in its turn to send them back to the officers concerned for rectification. As this procedure entails much unnecessary work on this office and is also the cause of some delay in cashing the cheques and crediting the amounts to Government, the undersigned has the honor to request that all such cheques may in future be endorsed in favor of the Officer in charge of the State Huzur Treasury or "order" and send direct to that officer with information as to the head or heads to which the amounts when realised should be credited.
